

Business Area Ultrasound

6th June, 2025

Avish Aviraj Jha
5829 Hobart Street, Apt #1
Pittsburgh, PA - 15217

Dear Avish,

We are very pleased to offer you the position of Master's Student Technical / Software Engineer Intern this summer with Siemens Healthineers. Please find the following confirmation of the specifics of your internship:

Position Title: Master's Student Technical / Software Engineer Intern

- **Start Date:** 6/16/2025
- **End Date:** 8/22/2025
- **Number of Work Hours Per Week:** 40 hours per week/Full-Time
- **Employer Location:** You will be working in our Issaquah 1 branch at 22010 SE 51st St, Issaquah, WA 98029-7002

Reporting Relationship/Supervisor: You will be reporting to David Weibel, Sr. Engineering Director of Siemens Healthineers. Mr. Weibel may be contacted by phone (425-785-6518) or by email (david.weibel@siemens-healthineers.com).

Internship Responsibilities: Your day-to-day responsibilities will include the following:

- Serving as an active member of a scrum development team contributing to agile software development processes.
- Contributing to the development and enhancement of premium ultrasound system technologies and features.
- Participating in daily standup meetings, weekly staff meetings, and actively contributing to team backlog planning and execution.
- Supporting software architecture improvements and modernization efforts including logging system enhancements, .NET framework upgrades, and code quality initiatives.

Should you have any questions regarding the specifics of your internship, please contact me by phone (425-785-6518) or by email (david.weibel@siemens-healthineers.com).

Sincerely,

Sr. Engineering Director
Siemens Medical Solutions USA, Inc.
